Subject: FOIA Request

Greetings:

This morning, Gary forwarded to me for handling a Freedom of Information Act (FOIA) request from Erin Jordan who is a journalist with the Des Moines Register newspaper.

She is seeking "correspondence between the Iowa Board of Regents or regents' staff and the four presidential finalists: Sally Mason, Philip Furmanski, Charles Bantz and Mark Becker. This should include, but not be limited to, e-mails, faxes, letters and offer sheets".

Please send me whatever correspondence you may have that is responsive to Ms. Jordan's request at your earliest convenience. I will review the materials you provide and redact all information exempted under the Iowa Freedom of Information Act and send it to Ms. Jordan.

Thank you for your cooperation.
