Subject: Governor's Visit

Hi Jeananne and Gary,

Here is a copy of what I put on our web board -

Governor Culver, members of his staff and the Iowa National Guard visited the Red Cross shelter in Palmer Hall last evening. They spoke to the Red Cross volunteers and the people who were using the shelter. Scott Hansen, Benton County Emergency Management and the Governor were both very complimentary of the IBS staff in setting up the shelter. Thanks to Ed, Kevin, Cindy, Paul, Barb Beau, Ida and Sue for all your efforts in setting up the shelter. Also, thanks to anyone I may not know about who helped out. All of your efforts were greatly appreciated by Scott, the Governor and the folks who are using the shelter's services. Both of the local papers were here, so there may be more information in the papers as well.

I think the visit went well – please contact me if you have any questions or need more information. Thanks!
