

MEMORANDUM

To: Board of Regents
From: Board Office
Subject: Report on the December Meeting of the Iowa Coordinating Council
for Post High School Education (ICCPHSE)
Date: January 7, 2002

Recommended Action: Receive the report on the December 2001 meeting of the ICCPHSE.

Executive Summary: The Iowa Coordinating Council for Post High School Education met on December 5, 2001 for a brief meeting at the Des Moines University. This memorandum provides a summary of the meeting.

Strategic Plan: K.R.A. 2.0, particularly 2.2.2.0 – Explore collaboration; and 4.0, particularly 4.4.2.0 – Increase cooperation and collaboration among the Regent institutions and with other educational agencies, including the community colleges and independent colleges and universities.

New Programs Ratified: The ICCPHSE ratified a number of new programs submitted on the ICCPHSE list serve for which no objections have been raised. See attached list.

Hear Presentation on ICCOR: The ICCPHSE heard a presentation on the Internet-Based Career Information System known as the Iowa Center for Career & Occupational Resources (ICCOR) that provides information to students, parents and career advisors concerning careers and associated educational programs.

**Discussed
Cooperation
Among Sectors:**

The ICCPHSE discussed a proposal for cooperative action among the various educational entities in Iowa. There was general agreement that working together with the Governor and legislature was better than working separately. It concluded with a recommendation for the various sectors in Iowa to explore possible collaboration under the aegis of the Iowa College Presidents Association. President Koob currently serves as the Chair of that group and has agreed to convene a group to explore such collaboration.
