

MEMORANDUM

To: Board of Regents
From: Owen J. Newlin
Subject: Appointments to Committees, Priority Issue Study Groups and Organizations
Date: July 8, 2002

Recommended Action:

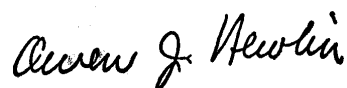

Ratify the appointments to boards, committees and priority issue study groups as set forth in Attachment A.

Executive Summary:

Regent Neala Arnold has been appointed to serve on Priority Issue Study Groups on Athletics, Distributed Education, Equal Opportunity/Diversity and Pre-K to 12 Quality Education.

The Board of Regents, State of Iowa, is responsible for making several appointments to state boards and commissions. Iowa statutes and the bylaws of institutional organizations and other non-profit agencies call for the appointment by the Board of Regents to those governing entities.

The Board has created the Banking Committee as its only standing committee. Ad hoc priority issue study groups have been established for specific tasks.
