Business sections scheduled for submission

Future Submissions:

The contents of Chapter VII – “Business Procedures” and Chapter IX – “Property and Facilities” of the Policy Manual are undergoing substantial modification. Because of the number of areas addressed in Chapters VII and IX that are also a component of the Regent Organizational Review, subsections will be brought to the Board for approval as they are completed. §7.04—“Purchasing” will be further revised from the draft submitted for Board review in May.

Review of Policy Manual linked to Governor’s Executive Orders on IAC revision

- The Policy Manual has not been revised for several years. This revision process is also timely in light of the review and revision of the Iowa Administrative Code (IAC), as required by the Governor’s Executive Orders No. 8-11.
- The review of the Policy Manual has focused on consistency with state and federal laws, with policies and practices of the Board of Regents, elimination of redundancy with the Iowa Administrative Code (IAC), and compliance with the requirement of Iowa Code (IC) Chapter 17A: Iowa Administrative Procedures Act.

Strategic Plan:

Revision relates to Quality and Accountability

Revision of the Policy Manual is consistent with the Board of Regent’s Strategic Plan, KRA 1.1.0.0, Quality. More specifically this revision relates to KRA 4.0.0.0, Accountability, and particularly to Objective 4.2.0.0--to improve the operational effectiveness and efficiency of the institutions.

Background:

Changes to the Policy Manual are described by Attachments 1, 2, and 3 to this memorandum by striking current language and underscoring proposed new language.

Sections for Board approval:

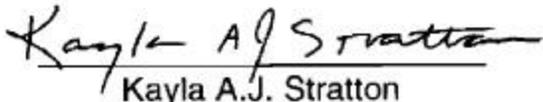

- Attachment 1 describes the amendment to §1.07 (A)(2)(b) — “Interinstitutional Committees, Regent Committee on Educational Relations” (amendment including a community college president as a representative on the Committee on Educational Coordination).

- Attachment 2 describes §§4.37-38 (new sections on Regent employees representing the Board of Regents).
- Attachment 3 describes Chapter VIII—"Charges and Fees" proposed revised version.

Analysis:

- Review of the Policy Manual is needed to ensure that it is consistent with state and federal law.
- The review process involves consultation among the institutions, Board Office, and the Office of the Attorney General
- The Board has final authority to approve changes in the Policy Manual and will review the work of the institutions, Board Office, and Office of the Attorney General and make recommendations for further changes as it sees fit.
- The process of review and revisions is anticipated to be completed by the end of calendar year 2002.

Recommendation: As the revisions to §§1.07, 4.37, 4.38 and Chapter VIII of the Policy Manual are consistent with state and federal law, the proposed recommendations appear appropriate.
