**Background and Analysis:**

**Highway 275 Water Main**

Project Summary

	<u>Amount</u>	<u>Date</u>	<u>Board Action</u>
Project Description and Total Budget	\$ 56,402	June 2002	Requested

**Background/  
Project Scope**      The City of Council Bluffs Water Works will be installing a new water main along Highway 275 adjacent to the Iowa School for the Deaf property.

- The total project cost of \$180,870 would be shared by the Water Works (\$70,318), the Iowa School for the Deaf (\$56,402), and Lewis Central School (\$54,150).

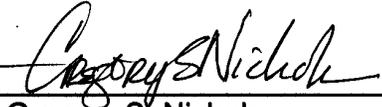

The project will replace an existing water main, which was installed approximately 80 years ago, and will improve the circulation and quality of water provided to the School.

The \$56,402 project cost represents the School's contribution for construction of the new City water main (\$28,603) and the full cost for a new extension water main to the School's existing water distribution system (\$27,799).

Funding                      Building Repair Funds.
