Dear Board of Regents State of Iowa:

Congratulations on receiving the Governor's Iowa Environmental Excellence Awards on Monday, August 1, 2011.

It was an honor for Governor Branstad and me to recognize your organization's leadership and innovation in managing our state's natural resources. Land stewardship is extremely important to ensure the quality of life we have come to know as Iowans. As a state, we must work together to continue to protect our environment and enhance it for future generations.

The Governor and I applaud your leadership role and the steps you have taken to protect and enhance our environment. Thank you for protecting Iowa's strong and important assets in its natural resources.

Sincerely,

A handwritten signature in black ink that reads "Kim Reynolds".
