

MEMORANDUM

To: Board of Regents
From: Board Office
Subject: Appeal of an Institutional Decision
Date: May 6, 2002

Recommended Action:

Affirm the final institutional decision.

Executive Summary:

- | | |
|--|---|
| Employee alleges unfair treatment by institution | • The Board has before it a confidential exhibit provided by the employee addressing the confidential personnel issues involved in this appeal. |
| Institution investigated allegations | • The institution has investigated the complaint of the employee and has determined that no change in the institutional decision should be made. |
| Employee appeals to Board | • The employee has exhausted the employee's appeal rights at the institution and seeks to have the Board provide a result different than the institution has provided. |
| Due process requirements met | • A review of the record before the Board provides evidence that the institution followed appropriate procedures and provided the employee due process. |
| Judicial review of decision possible | <ul style="list-style-type: none"> • A decision affirming the final institutional decision before the Board will represent final agency action. Following final agency action the employee may seek judicial review as permitted by law. • Based on the record before the Board, the Board Office recommends that the Board affirm the final institutional decision in this matter. |
