In accordance with Regent Procedural Guide §6.11, the Board approved the academic calendars for the University of Northern Iowa for 1998-2002 in July 1997. The University is now requesting revisions to the summer sessions for 2001 and 2002. The proposed summer schedule is essentially a 12-week summer program that begins the Monday after commencement and includes three consecutive 4-week sessions, two consecutive 6-week sessions, and one 8-week session.

Board policy provides for seven specified holidays annually, two additional holidays that are designated by the heads of the institutions, and two more days

to be accrued as vacation. The proposed calendar year 2001 holiday calendar for the University of Northern Iowa is consistent with Board policy and existing applicable collective bargaining agreements.
