

MEMORANDUM

To: Board of Regents

From: Board Office

Subject: Naming the College of Medicine Proposed Building B as the Roy J. and Lucille A. Carver Biomedical Research Building

Date: November 5, 2001

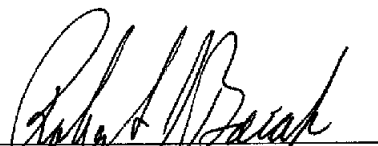

Recommended Action: Approve the University of Iowa's request to name the College of Medicine Proposed Building B as the Roy J. and Lucille A. Carver Biomedical Research Building.

Executive Summary:

- The Roy J. Carver Charitable Trust has most recently provided a gift in the amount of \$10 million to support capital development of the University of Iowa College of Medicine.
- This is the largest single gift ever made by the Trust and the University is proposing to recognize this important contribution by naming the building in honor of the Carvers.

Background and Analysis:

- Building B is approximately 130,000 square feet and will be used for biomedical research as well as house the Office of the Dean of Medicine.
- The University updated the Board on this multi-phased project at its February 2001 meeting.
- The University presented the schematic design for Building B to the Board at its March 2001 meeting.
- Roy and Lucille Carver as well as the Roy J. Carver Charitable Trust have been long-standing supporters of SUI – their support has been seen throughout many aspects of the University and has been instrumental to many accomplishments.
