Dear Regent Niles and Board Members,

Thanks for the lovely reception in honor of my retirement. The tribute from the Governor and the plaque from the Board of Regents will be treasured keepsakes.

With support from Board members, Board office staff, sister institutions, Braille school staff and many others, we have been able to make positive changes in the education of blind children in Iowa. It was a privilege to hold a leadership position in this important initiative.

Thanks for your commitment to these children and your confidence in me.

Sincerely,

Joanann Schild
