

MEMORANDUM

To: Board of Regents
From: Board Office
Subject: Student Appeal
Date: September 9, 2002

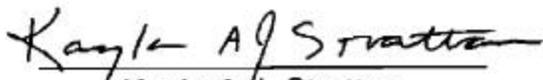

Recommended Action:

Remand to the university for further investigation and/or proceedings.

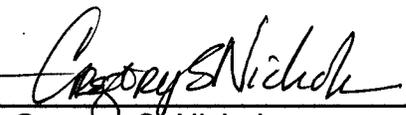

Executive Summary:

Board members have a packet of confidential materials related to an appeal by a student concerning a finding by the university upholding a disputed course grade. A review of the materials submitted by the student and by the university suggests the record is incomplete.

It is recommended that the Board, based on the record before it, remand this matter to the university for further investigation and/or proceedings. The student has requested an opportunity to address the Board. If the Board adopts the Board Office recommendation, this request is moot.
