Statement from President Lang and Pro Tem Rastetter on Conclusion of 2012 Legislative Session

Contact: Robert Donley, (515) 281-3934

On behalf of the Board of Regents, we would like to thank the Governor, legislative leaders and all members of the Iowa General Assembly for their strong commitment to public higher education this legislative session. We are extremely pleased that the Governor and legislators of both parties came together to provide funds needed to enhance our student success initiatives and to spur additional research and innovation at our universities.

We are also grateful that the Governor and legislators recognized the unique budget situation at the University of Northern Iowa and we appreciate the addition of \$4 million to UNI's general education fund.

We look forward continuing to work with the Governor and all members of the General Assembly in the coming years to build upon the success achieved this year.
