TIER Public Town Hall Meetings

October 1, 2014

On Thursday, October 2nd, Deloitte will present their recommendations on eight business cases in the areas of Information Technology, Human Resources, Finance, and Facilities to the Board of Regents for their review and discussion. This meeting will be streamed online. The link to the meeting can be found at: <http://www.regents.iowa.gov/Meetings/agenda.html>.

Subsequently, there will be a town hall meeting on each campus to discuss these cases as well. Below is the information about the upcoming town halls, which will also be streamed online and can be found at www.regents.iowa.gov.

The forums will provide an opportunity for the campus communities and general public to ask questions, express concerns, provide input and gain additional information relative to the TIER study.
