

RFP Questions and Responses -- Website Design

The following are questions sent to the Board of Regents by prospective firms by Monday, January 18.

- Would any PDF documents on the site need to be converted to make them accessible? **No.**
- What is the budget? **There is no set budget.**
- Is there a CMS platform preference? **No.**
- Do we need to quote hosting? **Yes.**
- What third-party integrations are included? **None.**
- Are there existing branding guidelines? **The site should incorporate the Board of Regents logo, which is on the current site, and a matching color scheme.**
- How many people will be administering content? **Three.**
- What is the plan for content migration? **Please include broken-out costs to migrate content from the current site.**
- Who supports the current site? **It is hosted on the Iowa State University server and managed by Board of Regents staff.**
- Should we quote maintenance and support? **Yes.**
