Subject: Constituent Request to Speak at February Board Meeting

Regents,

Attached is a letter from Mr. Ray Willits, of Union, Iowa, who made a request to our office to speak before the Board at the February meeting with his concerns on student alcohol use. Unfortunately, due to the large agenda for the February meeting, we were not able to accommodate Mr. Willits' request, but I am forwarding to you his letter for your information. Mr. Willits is aware that we are e-mailing his letter to all Board members, and also posting it on the Board of Regents web site.

Please let us know if you have any questions. Thank you.

Board of Regents
State of Iowa

12-17-09

I am requesting time to address the Board of Regents at the Feb. 4, 2010 meeting in Ames, Iowa.

I am a lifelong Iowa resident, a 1972 ISU graduate and represent 4 generations of ISU graduates. I farm and run a small trucking business.

I want to address the board regarding policies about alcohol consumption and drunken behavior on regent campuses. I want to remind the board that their job is to set policies and have management in place to implement board policies.

Thank you!
