Weekly TIER Update – September 19, 2014

This week the Deloitte team met with university leadership teams at the University of Iowa and Iowa State University to review and discuss the Human Resources and Finance business cases. These meetings allow Deloitte to gather additional data and receive feedback as they continue to develop the eight remaining administrative business cases first presented during the *TIER* Town Hall [public forums](#) in June.

Next week Deloitte will continue to meet with university leadership teams on all three campuses to discuss the Human Resources, Finance, IT, and Facilities business cases. These will be presented to the Board of Regents in a special meeting on October 2nd. The [extended timeline](#) was approved by the Board last week and will prove a full month for faculty and staff engagement.
