**Weekly TIER Update – September 26, 2014**

This week the Deloitte team met with university leadership on all three campuses in preparation for the special meeting of the Board of Regents on October 2<sup>nd</sup>. Deloitte is gathering additional data and feedback on the eight remaining administrative business cases in Human Resources, Finance, IT, and Facilities.

A list of the business cases can be found on the Board of Regents website under [agenda items](#). These business cases were first presented during TIER Town Hall [public forums](#) in June. Since then the Board has welcomed public input on the following websites:

University of Iowa – <http://efficiency.uiowa.edu/>

Iowa State University – [www.iastate.edu/efficiency](http://www.iastate.edu/efficiency)

Earlier this month the Board of Regents decided to seek additional input from faculty and staff, approving an [extended timeline](#) for approval of the remaining business cases. As with every Board of Regents meeting, the October 2<sup>nd</sup> meeting will be live streamed and that link can be found on the Board of Regents [website](#) or by clicking [here](#).
